Five minutes after getting home from her job at the bottling plant, Monika Benz has her dress hiked up around her hips, and her hand shoved down the front of her panties, fingering her shaved twat. She rolls her clit between her fingers, feels syrupy wetness stream down her wrist and pool in her palm. Damn, work makes her horny! Watching those burly men work the assembly line stirs Monika's darkest sexual fantasies. She pictures herself sitting naked on the conveyor belt, moving slowly down the assembly line as her co-workers jerk-off on her. She takes out a purple vibe, and fucks herself right on the staircase. She imagines each stroke is another coworker's cock plundering her pussy. One of these days she'll live her dream, and give herself over to the men she lusts after. Go for it, Monika. We bet the guys at work feel the same about you!

Ask Anna: "For Peak Erection Quality and Enhanced Climax..."

Ask Anna: vol 32 Better Sex

This month I received a letter from a regular contributor of mine. She tells of her "dirty little secret" that has changed her love life and led to life-changing, mind-blowing sex.

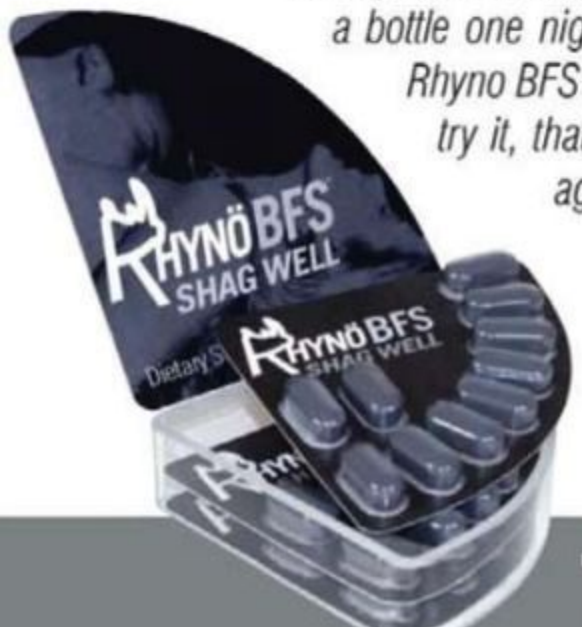
Dear Anna,

I have enjoyed your articles for quite some time now and I'm happy to finally see them in print, in the states, on a regular basis.

I spent several years in Northern Europe while my husband was working in Copenhagen. I always recall my time there very fondly because it is where my husband, Ken, really took his lovemaking to the next level. We had a wonderful sex life before we were married and then "we" got transferred overseas. I had heard rumors from some of the other company wives about a certain natural "randiness" that permeated the male population in that region of Europe. I vividly remember the first time Ken came home early one mid-Spring afternoon with a grin on his face, a twinkle in his eye… and the ***most enormous hard on I'd ever seen. He just felt so firm and thick in my hand that I began to feel moist… and I just have to have him inside me, immediately!***

He explained that his co-worker had pulled out a bottle one night of a supplement called Rhyno BFS and told him that he had to try it, that he would never have sex again without it.

Sincerely,
Steffani, Stowe, Ohio



Stef,

It just so happens that I have heard of it. A previous partner of mine had it and we, too, had the most intensely satisfying sex of our lives. Unfortunately, ***our entire relationship was based on our incredible sex*** and there wasn't much substance otherwise. ***That was quite a two month run we had in the bedroom, though!*** Most women that have commented on this product have said that just one tablet each day gives their partner the firm thickness that you described.

The place to get Rhyno BFS is RhynoBFS.com or by calling 866-794-0022.

I did a little research and Rhyno BFS is an all-natural supplement that increases blood flow into the erectile chambers and that causes ***a fuller, stronger feeling erection.*** But I need to warn you, Rhyno BFS is a very strong blood flow stimulator and "vasodilator" (which refers to the widening of the blood vessels) allowing more blood flow into the erectile tissue. If you have a heart condition or blood pressure issues, please consult with your physician. From my experience with my previous lover I know that every woman out there should talk to her partner about experiencing sex with Rhyno BFS.

That's the scoop, ladies. ***Get your man on Rhyno BFS. It will change your sex-life!*** Thank you so much for writing Stef, and reminding me to bring this amazing solution to the attention of my readers! And as far as changing your sex life ladies, check out MyFEMOS.com, for information on *FEMOS (Female-Extended-Multi-Orgasmic-State): A Man's Guide to the Female 60 Second Orgasm.*

Face Down, Ass Up! Cheeky Advice On The Fine Art Of Anal Sex.

I know, I know. All of you have seen my movies, and you know that the only anal sex I've had on film was with girls and toys. I don't know why some of you think this isn't "real" anal sex. I still got my butt stuffed, even if there was no cock involved.

So you're probably wondering where I get off offering advice on anal sex. (And some of you are probably just wondering "where I get off" or "how I get off"—Ha! I'll write about that in my next column!) Seriously, I don't claim to be world's leading authority on anal sex. But I have learned a lot, and I'm willing to share it with you.

I didn't start having anal sex in my private live until a few years ago. I tried to do it in the past, but it freaked me out, and I wasn't very good. But now I am great at ass fucking. And I owe it all to some girlfriends of mine who gave me tips on how to break into doing anal.

I am not an anal pro…yet. It took many years, all the tushy tricks, and now I can finally say I know how to take it up the ass and enjoy it! If you're like me, a butt-sex beginner, then you probably think alcohol or maybe a couple of pills, will relax you and help open the onramp to the Hershey Highway. Hey, we all love getting wasted, and it *can* help loosen your inhibitions, but it's not the true way to prepare for anal bliss. For that, you need to let your fingers do the walking.

Fingers are a good place to start, ladies, (or guys-doing-the-ladies). The first step is don't freak out and tense up. Everybody does this. You anticipate the finger, dick, sex toy, etc. coming at your ass. Stop! By doing this, you automatically tense up your butt, and then you can't squeeze anything in.

Try having straight vaginal sex as a lead-in to anal. This way your body is already relaxed. Loosen up with a couple of orgasms, then tell your lover to start playing with your ass, gently, one finger at a time. You are already stimulated—stay relaxed and go with the flow.

Slowly, when you are comfortable with it, add a couple more fingers, one-by-one, as far as you can. This is a great first step. Another starter step is to get an anal beginners kit. It has three different sized toys in the kit to slowly work your way into taking a life-size dick. I used my vibrator to get my pussy all wet, and then I took the first anal toy and rubbed it playfully around my asshole, slowly working it inside. Eventually I was comfortable enough to take the next size sex toy up my ass. After lots of practice, I was able to take the largest of the three toys up my ass with no problem. It actually fell pretty good! Don't forget, girls, lots of lube is a good idea to help slide any toy or cock in your ass, especially when you are new to anal.

Now for the moment of truth. After all those fingers and toys, we are ready for real cock, ladies! Tell your man what to do. Tell him to fuck your pussy, and make you cum twice. Then tell him to stick his finger up your ass while he's fucking you. Feel good? Hell, yeah! Now tell him to put another finger up there, and another. Warm that ass up for his cock.

After you are horny, let him slowly stick the tip of his dick inside your butthole. Don't rush. Take it slow until his cock is all the way inside you. Then take it easy, gradually building the pace until you can go a little faster and enjoy it. Go at your own pace.

Get ready for a big surprise now, ladies. (It certainly was a surprise for me.) Anal orgasms can be even more intense than vaginal orgasms. Oh my god, the orgasm you get from anal is so much more intense. You going to like it, maybe even prefer it, to vaginal orgasms. Assgasms are in, baby!

So, go for it, ladies. These are the anal secrets my friends shared with me. Now go try them out, and share them with your friends. Soon we'll all be anal-lovin' butt-sex babes! Won't our men be happy! Bottoms up!

AMY

stocking up

AMY

Nylon stockings are sexy. Nothing accentuates the fine lines and firm tone of a woman's legs quite like a pair of stockings. Once upon a time, nylons were a rare and coveted gift for women, brought home by soldiers stationed overseas. Now you can pick up a pair of Leggs in any neighborhood grocery store. Stockings are easier to find, but the effect is no less dramatic; a stocking-clad leg makes a man's heart beat faster. Amy Ried knows this, so when she wants to treat her lover to something special, she'll break out her nylon knee-highs and white "fuck me" pumps. If she wants it up the ass, she'll wear her white garter belt (her lover is aware of these fashion cues, and plans their sex sessions accordingly). Know what else is sexy? Amy's giant titties...the way they glisten with saliva and sway when she's up on all fours, getting plowed. Sexier still is when Amy reaches back, spreads her butt cheeks wide, and demands to be cornholed. Give that leggy lady what she wants, Dude!

INTERVIEW WITH A PORN STAR

Interview by Gerald Bostock

What's a nice Jewish girl like Sara Sloane doing in a dirty business like porn? "I love the sex industry!" the 26-year-old Zero Tolerance contract beauty told us recently at the company's Chatsworth headquarters. "I get messages from people in Middle American who have 9-5 cubicle jobs, and they tell me, 'Thanks for the picture of you and Kagney Linn (Karter). I needed that today.' I like helping people work out their sexual tension. I'm happy to help," Sara hails from the North Shore section of Long Island, New York. After dropping out of college in upstate New York (where she was a liberal arts major), she worked at a porn store (yes, a porn store!) and as an exotic dancer. When she was 24-years-old, she made the move to hardcore, performing for two years under the name Sarah Vandella. In October 2009, as Sara Sloane, she inked a two-year contract with Zero Tolerance. Sara does it all—cream pies, anal, girl-girl, features (like Zero's highly well-received *Official Jersey Shore Parody*), and most recently her first-ever gangbang (namely, *Gangbang Auditions 24*) in which sh e services five studs. Sara's also one of the most fan-friendly XXX performers, and is always eager to interact with fans on Twitter (twitter.com/xxxSaraSloane). The world has a lot to offer Sara Sloane...and she's taking it, one dick at a time!

When did you realize your calling to be a porn star?
Well, what you have to realize is that for two years I was already in the sex industry—but not starring in porn. I worked in a porn shop and then I danced. In the porn shop I was stocking the shelves, sweeping the floor, helping customers. I did the whole strip club thing in Long Island, and I loved it! I worked there for about a year and a half and never had one problem with any of the guys being disrespectful. It was cozy, and we had our regulars, But becoming a porn performer had a great deal to do with curiosity. After working in a porn shop, then dancing and traveling all over the country, I did everything that I wanted to do, then I was ready to make the jump. I did my research. I knew what AIM Testing was before I even did a scene. I interviewed three agents before deciding on one. I took my time. It was a natural progression, really. It wasn't something I wanted to rush into. It just happened … the way it was supposed to.

What are the pros and cons of being a porn star?
I really don't see myself as a porn star. I'm still a person; just Sara. But it's really nice to have companies like Zero Tolerance and Third Degree standing beside me, and it's wonderful that fans are so enthusiastic about my movies. I love that I get to pick whom I work with. Those are the pros. The cons? Well, there are downsides to anything in life. Every job, no matter what it is, has its downsides.

I have a perfectly beautiful pussy hole, so there's really no reason to sodomize me.

What are your feelings about plastic surgery/breast augmentation?
I prefer natural breasts on women. However, it's a personal choice for a woman to go under the knife and alter her body. If that's what a woman wants, then she should do her research, make sure her doctor is reputable, and go for it.

Your favorite type of music to listen to?
I'm a total rock-and-roll girl. I love the classics.

What's your favorite non-porn movie?
I have a list of them since I can never really pick just one. Let's see…anything by Woody Allen: *Annie Hall, Manhattan, Hannah and Her Sisters.* I love great stories…a romance…an action movie… anything that can hold my interest.

I love licking ass. I'm a butthole whore! Men, women, either way.

If you could have dinner with anyone, living or dead, whom would it be?

Janis Joplin. I would just love to pick her brain, ask her questions. She was such an interesting person and wrote such incredible music. A lot of us who appreciate music will never be able to touch the level of pain she was in, which is one of the reasons why she was such a great artist. She was always the plain-Jane kind of girl, never really gorgeous. She was quiet, different, and eccentric.

If you won the lottery, what's the first thing you'd do?

I would move the fuck out of California! I hate it. Naturally, I wouldn't give up my position at Zero, but I'd definitely move back to New York and commute to work. I'd use the money to take care of my travel expenses, make certain donations to various charities and maybe get my parents away from working and situate them wherever they'd like to live.

Name one thing you would like to change about yourself?

I suppose I might practice a little more self-control because I'm very New York, and sometimes I can be a little sarcastic. I don't mean to do it to hurt anyone's feelings. It's just how I was raised. Sometimes out here in California, however, you run into a lot of, like, hippy-hippy, easy-easy, Crosby-Stills-and-Nash types. (*laughs*)

Yeah, baby—make love not war! Do your sexual attitudes change once you're in front of the camera?

Absolutely. I'm a performer, so my natural adrenaline starts to kick in when the cameras start to roll. I also remind myself: 'I'm performing, and this is for my fans, my people, and I want to be there for them.' So the camera is kind of like the lube for me. The camera gets me off. It's the bridge between me and the fans which allows everything to be portrayed. When the camera is off, then I'm feeling more in myself. Also, I'm always post-coital after a scene, meaning that after I do a scene, I need 20 minutes in the shower, 20 minutes to myself and 20 minutes to sit with a cold beverage. (*laughs*) After a really good scene, it'll take me, like, three hours to calm down.

Wow.

Yeah, because I put everything into my scenes. After I'm removed from an intense scene, I'm still feeling all of those intense feelings. So I have to slowly bring myself back down to earth. It's super trippy. I get such a rush from performing.

And, of course, a lot of that rush depends on whom you're performing with.

One hundred percent. To me, that's the key, because if you're not feeling the chemistry with your partner, what's the point? Then your scene might not be as hot as it would be otherwise. Yesterday I worked with Andy San Dimas, and I specifically requested her. They originally paired me with a different girl, but I spoke up because I knew that the other girl wasn't exactly my type, and Andy is *so* my type. Plus, she's really a sweetheart. So we had a really hot scene, and most of it was pure lust. Yeah, it was hot. (*laughs*)

We're glad you're not one to shy away from anal sex.
I've done it a few times. (*laughs*) But, you know, I have a perfectly beautiful pussy hole, so there's really no reason to sodomize me. (*laughs*) Alex Gonz, however, can literally stick his dick anywhere in my body, and I'd be very happy. He's insanely hot! All of the girls whom I've gone to for advice about anal—like Francesca (Le) and Kristina (Rose)—they all say, "Start with guys you like, communicate with them, let them know how you're feeling, get yourself in the most relaxed place possible…" Like, I did an anal scene with Alex Gonz for *Sexual HarrASSment*, and I took his dick like a champ because I loved it.

You've recently done your first gangbang, correct?
Right! *Gangbang Auditions 24,* where I took all the guys up my butt—for at least one round—and did a DP. And I did the DP not because anybody told me to do, but because I really wanted to do it. I was horny, and I was vibing it, and all of the guys were really responding well to me.

What are your feelings on oral sex?
There's no better way to communicate your desire for your partner than going down on them. Men and women both. We women have our own set of tools. I know what a girl likes. In terms of men, it's fun to let them think that they might know how to properly lick a woman, but at the end of the day, they'll never really know. (*cracks up*).

What about licking ass?
Oh, I love licking ass! I'm a butthole whore! Men, women, either way. Yesterday with Andy (San Dimas), I was licking her butt, she was licking my butt…It was a buttlickin' free-for-all! Andy was like, "I'm glad you're not licking my leg." And I said, "I don't fake sex—lesbianism included." (*laughs*) Speaking of lesbianism, I've been jerking off to one of Madison Parker's CHERI magazine layouts for the past three months. I need to get my hands on her. (*laughs*) I'll find her!

Let us know when you do, 'cause we'd like to get our hands on her, too. And what about licking man-ass?
I've done that. I went down on Mr. Pete: licked his butt, gave him a rim job. Mark Davis, too. As long as the guy's clean, and I'm totally into it, then it's like, hell yeah! But some guys are really weird about it. They're afraid that if they like a rim job, it means they're gay. Please!

Favorite position?
Spoon and doggie, but it depends on the cock. It's different with every cock because of how it rubs against my G-spot.

I've been jerking off to one of Madison Parker's CHERI magazine layouts for the past three months. I need to get my hands on her!

guys being hung or whatever. Obviously they're always cut.

Is there a difference between a cut man and an uncut one?
Oh yes. Oh yes! For my anal play, I only, only want uncircumcised cocks in my ass. Only!

What about the five guys in your anal-inclusive *Gangbang Auditions* movie?
Hmm, I guess I broke my uncut rule for that day, didn't I? (*laughs*)

Forgiven. Do you prefer men or women as sex partners?
I'm a total lesbian—except that I love cock. It's all about the sex act, in terms of a particular partner giving me the most pleasure. So it could be a man—or it could be a woman. It really depends on the individual rather than gender.

And what's your favorite sex act?
I love eating pussy. And getting fucked really good.

For my anal play, I only, only want uncircumcised cocks in my ass. Only!

Do your parents know what you do for a living?
Oh yeah! They knew when I was a clerk at the porn shop. (*laughs*) My dad was like, "Can't you find a better job?" and I was like, "But I like it, Dad." "Alright," he said. Two years later, I'm a porn star. (*laughs*) I mean, I come from a really good family and, as I say, my parents are my best friends, and I never had a reason to lie to them about what I do because they always knew everything about my life, anyway. (*laughs*)

What's the weirdest place you've had sex?
Oh man... I've had sex on the hood of a car in New York. That was before porn. I've had sex on stairs ... on a mall-roof parking lot...I like sex outdoors. I've had sex in the park, like, standing on a rock doing doggie. (*laughs*)

What's the most perverted thing you've ever done?
I've gone up to girls and told them straight up that I wanted to fuck them. Like, I've walked up to girls and said, "You're fucking hot," or "You're fucking beautiful." I suppose that's not so perverted. But when I get a vibe off of these girls, I can accurately read their feelings. And, of course, there are also the perversions in my head...I mean, I'll see a random chick, look at her and think to myself, 'Man, I want to fuckin' lick her ass.' Or I'll see a hot guy and think, 'I want him to fuck me dirty against the wall...just rip my clothes off and fuck me!' (*laughs*)

What size cock do you prefer?
A good seven to eight inches. That's all I need.

Let's talk a bit about your ethnic roots.
Well, I was adopted. I think there may be some Italian in there, but I converted to Judaism at a very early age, so I basically consider myself Jewish. My adopted mother took me in a mikvah when I was ten days old. For the Gentiles of the world, a mikvah is literally a holy bath of water, like being baptized, but in a Jewish fashion.

So are Gentile cocks different than Jewish ones?
That's a great question! There are always myths about Jewish

Which of your movies are you most proud of?
I am so proud of *All About Sara Sloane*. Actually, I'm proud of every project that I've done so far with Zero and Third

Degree. I just feel like they've really given me this light where I can be myself and I can sexually express myself.

You did a number of cream pie movies for Zero and Third Degree. Do you like those types of movies?
I do. They're fun and erotic and definitely something I would probably only do on camera. (*laughs*)

Are you pretty good at pushing 'it' out?
Yes! I'm really tight, so I can push it out really well.

What about the other relatively new Zero contract star, Kagney Linn Karter? Are you soon scheduled to do a scene with her?
Kagney and I are doing a scene this Monday, actually. It's Kagney and I and…I'm not sure who the guy is. But, oh, I *love* her. She's *so* sexy and so fucking cool.

What did you think of Zero's *Official Jersey Shore Parody*?
I watched the first part of it, including my scene with James Deen, and I thought it was pretty hot. Hilarious, too. I loved the script that Brian Bangs and Spock Buckton, the PopPorn guys, put together. The casting was great, and everybody had fun.

Do you have any tats?
Not one. I think it's really sexy for guys to have them. I like the fact that Kagney doesn't have any. Courtney has some but… It's really a personal thing. Just like breast augmentation. Just like doing anal. It's all personal. My parents never wanted me to have them. That was the one thing they always asked me to respect—so I did.

Any final thoughts? What would you say the future holds for Sara Sloane?
I'm just thrilled about working with Zero and Third Degree, and I'm totally looking forward to the next year and what the future holds. I'd love to do an Interactive movie, which I believe is actually going to happen summer 2010. I'd love to get nominated for Best Actress at AVN. One of the first things we talked about when I signed with Zero was the possibility of me directing a movie, maybe a year down the road. But I'm having way too much fun in *front* of the camera to stop now. I still have a lot to learn! I also wanted to thank all of the fans for all of their love. Again, please follow me on twitter.com/xxxSaraSloane. I tweet back.

Alyssa & Lux

twat's what friends are for

Alyssa & Lux

Lux Cassidy and Alyssa have been friends forever. Tonight they will become lovers. "Are you sure you're into this?" Alyssa asks, standing before her friend in just her black bra and panties. "I'm attracted to you, but I don't want this to hurt our friendship, so if you have any reservations..." Lux doesn't answer. Instead she kisses her friend passionately, shoving her tongue down Alyssa's throat. Guess that says it all. Alyssa stops asking questions and puts her mouth to better use servicing Lux's tasty pussy and snug butthole. She swabs Lux's browneye with her tongue, and Lux moans lustily. Will this torrid lesbian tryst prove damaging to Lux and Alyssa, or will it solidify their friendship. Who knows? All we know is something has suddenly solidified in our pants!

SHE'S ASSTASTIC

AMY RIED

BOBBI STARR

LOONA LUX

REBECA LINARES

SIMONY DIAMOND

Most of the time it's a real crapshoot trying to get into a girl's ass, but there is a special breed out there who has discovered the joys of anal sex and once they've found that fondness, it often becomes their preference. Of these five girls, each comes from a different country, but they've all found at least one thing in common: They absolutely *looooove* having big cocks in their asses. Amy Ried, Rebeca Linares, Bobbi Starr, Loona Luxxx and Simony Diamond all show off their skills at back door receptions and what hosts they turn out to be! No man goes unsatisfied and certainly none of the girls are complaining about the guests who spend time in their cheerios.

There are several other girls in *She's Asstastic*, too, but we didn't want to spoil all your fun. Go online or find your favorite retail outlet and you'll also see girls like Madison Marker, Aletta Ocean, Diamond Kitty and others getting their butts reamed, too. In other words, get *your* ass out there and buy this movie!

Amy Ried

There are some girls who need a little convincing to take a cock up their ass, but with Amy it's the other way around. While Michael tests out her cooch, she's already poking her fuck-you finger into her exit and telling Michael that she is eager to have that cock shoved into her bunghole.

But Michael is a more patient man, or maybe he's just teasing her, or, most likely, he finds that pussy feels damn good and stunningly tight considering how many cocks have found their way into that vagina over the years. Nonetheless, he does take a stab at her ass, squeezing his long rod into her danger zone. "Fuck it deep," she growls, "I want to still be feeling your cock in me on Sunday!"

He starts off fucking her doggie style—appropriate with all her growling and barking as he plunders her booty—and then he tells her to get on top. As she's done so many times before, she rides his dick while he plays with her pussy, stretching it out as though it's made of rubber or flubber. Whatever it is, it always snaps back to shape and Michael always manages to maintain focus on filling her seat. A real multi-tasker.

It's porn and all good things must cum to and end and Michael, unwilling or unable to leave her asshole until the very moment before he pops, squeezes out his white and creamy on her asshole and perky buns.

Bobbi Starr

If there is a girl who can out-filth Bobbi, we haven't found her. Who would think that cute girl reading in the corner at the library (literally one of her favorite pastimes) may have just finished getting all fetished up so can fuck Christian in a dirty basement somewhere? That's just the way she rolls.

Pigtails, striped stockings, tape over nipples, wacked makeup and even a tie around her neck is how she dresses up for their underground meeting with the meat puppet. She sucks his cock and balls, sloppy and deep just as she is known for, but it's nothing but a prelude to jamming that thing in her Hershey hole, which is about the only thing she loves more than reading.

She doesn't need to be literate to know how this story goes. Girl has willing ass, guy has big cock and he almost loses it completely as she spreads those ample butt cheeks apart, groaning about what a great cock he has. Meanwhile her pussy goes completely ignored, left gaping from thousands of pleasures past. It still gets put to good use and frequently, but Christian can't be bothered with that wet patch, instead limiting his pummeling to her onion ring and the girl with the makeup running down her face couldn't be happier with the arrangement.

Scratch that—there is one way to make her happier: to cover her pretty face with jizz. Big Christian let's her know with plenty of time before it arrives, allowing Bobbi to get down on her knees to coax out his load with some well-rehearsed hand jive. Soon lines of white goop are running down the side of her face to her tits and all that's left is to clean his cock with her mouth. Guys and their cocks—such an easy read!

LOONA LUX

If one were to go shopping for the ultimate body, Loona could very well be one of the more popular models. She's made some slight modifications and they fit right in with the Cleopatra-haired beauty.

She has a remarkably beautiful pussy, too, which is why it's almost shocking that Michael didn't at least take a quick trip down that turnpike, but Loona was dead-set on getting her asshole jammed by his joystick. It's a situation Mike can easily deal with. Since it's her idea, he let's her get on top first. She goes for a rousing ride, spreading her pink puss to remind us that she's not just a one-hole wonder, but the focus is very clearly on Mike's going in through her out door.

After letting her switch things around for a bit, Mike moves her down to the floor for some relentless anal thrusting. It gets the French babe howling and despite the language barrier she knows what it means when a guy says he's going to cum in her mouth. Michael gives notice and she comes around to take his batter into her pretty mouth. A true French kiss.

Rebeca Linares

Rebeca is so cute and playful as she strips out of her teeny jean shorts and pretty, pink panties, but when Jordan whips his cock out this girl gets down to business. She's known for taunting her lovers with demands for them to fuck her harder and she almost loses her legwarmers in the rush to get her mouth on Jordan's lengthy prick and even she has limits and suspects he might help her discover a couple of them.

They start off banging from behind and the look on Rebeca's face is one of shock and awe, and that's before his missile has fully penetrated her love hole. But it doesn't take long before her pussy adjusts and as she lies on her back with her legs nearly behind her head she tells Jordan she's had enough of this cunt action, she wants to try him in her ass.

She gets back on her hands and knees and he immediately RSVPs to her invitation. Rather than a look of shock, her back door opens easily for his rod. By the time she rides him cowgirl she is jamming her fingers in her twat and telling him not to spare one inch as she grinds down on his grand salami. When he lets her know that he's about to cum she breaks from tradition: rather than jump off and take his load on her face, she squirms down hard on his dick. "I always love feel of cum in butt," she says in her English-in-progress. "And this way boyfriend no see cum on my face!" Boyfriend? Rebeca!

Simony Diamond

Sometimes girls come along and are so mind-blowing that you just can't believe they are in porn. Simony is one of those insanely stunning types, but once we see her cocksucking we understand why she's doing adult—the girl is doing what she loves most: suckin' and fuckin'.

This time the lucky recipient to this doll's desires is Ian and his thick sword is in her snazzola in no time, stretching out her pink lips as she closes her eyes, probably trying to imagine how a cock that big fits into her little pussy. Curious, she wants to see if she can fit that big goddamn thing in her rump. Turns out, Ian can get that fat prong into her hole and it's not too long before he pulls it out and sure enough her ass is already gaping.

In fact, the ass seems easier for her to take that cock than her pussy. She reverse cowgirls for a while and when she lifts off her ass is completely expanded and wide open maybe even a Mack truck could park inside that humongous hole.

With her fill of anal fun, she goes back to where it all began—the blowjob—and she wraps a hand around his wide choad and sucks on it until he blows his load in her mouth, leaving her face pretty and ready for another romp.

Kayden

When we interviewed Kayden Kross in our August 2010 issue, she told us that she went through a phase where she really liked the smell of her boyfriend's dick. Now that her secret is out, Kayden is finding support for her fetish overwhelming. "I get all this mail now...guys sending me their worn underwear," Kayden says. "What am I supposed to do with all of it? The other day I was waiting on the drive-thru line at a fast food restaurant, and some guy walked right up to my car, pulled down his pants, stuck his dick in my window, and started asking, 'Do you like the smell of my cock? Do I smell good?' It was gross. I rolled the window up so fast, I nearly chopped his balls off." Sorry, Kayden. Lots of people read CHERI, and I think our readers are trying to help you. "The people who read CHERI are a bunch of perverts!" Kayden exclaims. Yes, but they're a loveable, respectable, hard-working bunch of perverts, Kayden...the same bunch of perverts who watch your movies...

CHAYSE + CHARLIE

loose lips sink dicks

CHAYSE + CHARLIE

Mr. Pete's having a good day. He's got two of the hottest girls in porn, Charlie Chase and Chayse Evans, all greased up on rubber sheets in the middle of his living room. He's watching the girls make out. They're really into it, French kissing as they finger each other's pussy. Chayse cums first, flooding Charlie's hand with girl-goo. Charlie licks her fingers clean as Chayse goes down to suck her clit. She makes Charlie cum in record time. With the pesky "first orgasm" out of the way, the girls make their way over to Pete, crawling like submissive slaves across the floor. But the girls don't act like sex slaves. They're more like sexual predators, eyeing Pete's swollen pecker the way a cat looks at a mouse. Pete tries to crack some jokes, add some levity to the situation, but the girls are all business. They devour his cock ravenously, taking turns deep throating his piston. Yeah, it's a good day, Mr. Pete...and it's about to get even better...

ASHLEY

purple passion

Photos by Scott Ward

Ah, Ashley Bulgari. We've missed you so much since we last saw you in CHERI April 2010. What have you been doing with yourself for the last eight months? The last time we saw you, you unveiled an elaborate plan to take over the world. How's that going? "Pretty slow," Ashley admits. "I haven't made a lot of progress with world domination. I've been working on my tan, going to concerts, and visiting the beach a lot. I drink beer and smoke tons of pot. I fuck myself, a lot, too. I bought this purple vibe a couple of months ago and I can't stop using it. I masturbate, like, eight times a day. I'm starting to rethink this whole world take-over thing." Yeah, who needs the hassle, Ashley. Sounds like you've got plenty there to keep you busy. In fact, it sounds like we've got a lot in common...eight times a day, huh? You've almost got us beat!

ONCE YOU GO BLACK...YOU NEVER GO BACK #5 ϟϟϟϟϟ (Jules Jordan)

Starring: Bella Blaze, Gina Lynn, London Keys, Missy Woods, Natalia Rossi, Tiffany Rayne.

Jules' latest interracial gonzo-fest features a horny cast of chocolate-lovin' sluts who are addicted to black dick. They suck, they fuck, and they blow the house down as they pack their vanilla vaginas full of dark night-stick! Natalia Rossi cums out of hiatus to gobble Mr. Marcus' meat-wad; London's britches are falling down and her pussy is pulverized; legendary lovelady Gina Lynn takes two ebony erections at a time, and treats her face like a glazed donut; and mischievous Missy Woods does the unthinkable, opening her butt-hole to Lexington's steel stiffy in an "eye-opening" performance that redefines anal elasticity! And of course no interracial filth would be complete without the freakishly-hung Mandingo, who rains cum ropes into Tiffany Rayne's mouth. With crazy close-ups, enormous black cocks, and little white girls who can't say no, Jules turns the filth meter to overload here—and your load will be all over the room after checking out this multi-colored masterpiece!

YOUNG HARLOTS: SCHOOL TRIP ⚡⚡⚡⚡ (Harmony)

Starring: Isis Taylor, Chayse Evans, Shawna Lenee, Mackenzee Pierce, Kristina Rose, Madison Parker, Lexi Ward.

Take a bunch of prep school pussy out of the classroom, send them on a trip down to Cocktown, and these prissy, plaid-skirt princesses quickly transform into anal cum junkies! Chayse Evans and Isis Taylor set the tawdry tempo as they swap their teacher's cock between pussy, ass, and mouth until he soaks his slutty students with seed. British import Lexi is an exchange student here to learn about America for the semester. She's been here three months but hasn't done any sightseeing yet—unless you count all the American dicks she's seen cum in her mouth! Mackenzee Pierce is always trying to out-perform the other students: They get a B, she gets an A. They hook up with one guy, Mackenzee hooks up with two. They won't do anal on the first date, Mackenzee spreads her asshole within five minutes of saying hello. They won't swallow cum, (yup, you guessed it!) Big Mac slams it back like a shot of tequila! Seems as though being the big shot on campus brings loads of responsibilities!

THE MARRIAGE COUNSELOR ⚡⚡⚡⚡ (Wicked Pictures)

Starring: Brandy Blair, Jayden Jaymes, Kirsten Price, Marie McCray, Shawna Lenee.

Wicked's newest couples' release features sexier-than-ever contract cutie Kristin Price trying to spark up her boring marriage by living out some perverse sexual fantasies with the help of her unconventional relationship XXXpert. Naughty nurses, frisky firemen, bondage uniforms, and dripping candle wax are just a few of the dirty paths Kristen goes down (and boy, does she go down!) Sweet supporting roles help make the point (and stiffen your wood) as the demure Marie McCray teaches Kristen how to act submissive, while a sassy, sexy Jayden James shows Kristen how to be in control and get what she wants…no matter the cum-soaked cost! Through kinky role-play, infidelity, and several mouthfuls of man chowder, Kristen successfully cumpletes her treatment, and learns a thing or two about maintaining a healthy relationship along the way—all by simply acting like the filthy slut she was in the first place! As is turns out, the key to a happy relationship is easy—just act sleazy!

BIG TIT MOTHER FUCKERS ϟϟϟ (Diabolic)

Starring: Diamond Foxxx, Devon Lee, Francesca Le, Raylene, Lisa Ann, Taylor Wane.

These mommies got massive mams, alright—juicy, jumbo jugs that love to get sucked and fucked! This all-star cast of big-breasted beauties has been around the block (and cock) for a long time, and they know just how to use their whorish wisdom and erotic experience. The ever-so-foxy Diamond Foxxx starts things off with a MILFy value meal: some dick sucking, a side order of titty-fucking, and some good ole' fashioned fornication. Save some room for the overflowing mouthful of man-chowder for desert! Super-slut Devon Lee takes the only anal in the movie, and her almost creepy, emotionless, dead-fish performance makes you wonder if she can even tell which hole is getting fucked anymore! But then Francesca Le picks things back up, she's a supple cougar with a nice bounce in her boobs, and the pretty brunette jiggles her way through another great scene here. Not to be outdone, MILF titans Lisa Ann and Raylene get their sizzling Double-D's fire-hosed with seed—somebody call 911!

COUPLES SEDUCE TEENS #15 ϟϟϟ (Pink Visual)

Starring: Tanner Mayes, Cameron Love Megan Moore, Karmen.

Young girls can be gullible and horny—a downright dangerous combination when they cross paths with a sexy swinging couple. Before long these sweet teens are tasting their first twat and choking on married man-cock. Just ask carrot-top Cameron Love how much she learned about pleasing men, MILFs, and her own asshole thanks to meeting these happily-married teen-wreckers! It's an eye-opening learning experience for the young sluts, and a chance to rekindle the romance for our cum-soaked couples. Seems as though everyone wins—especially you, as you get to see these young, dumb, and full of cum cuties learn the finer points of filth!

LIZ

fucking asshole

LIZ

Nick is a dick. That's what every girl he's ever dated tells him. It's often the last phrase they shout before they walk out the door. Liz is no different. She realizes Nick is a shitty boyfriend. He never says anything nice, rarely takes her out for dinner beyond fast food, and he sits around watching porno and playing X-Box all day. He doesn't even compliment Liz on her sexy new outfit. In fact, if it weren't for Nick's dick, he'd be entirely useless. But he does have an impressive penis. Liz loves wrapping her hands around its girth. She loves the smell of it, the taste of it, and way it feels sliding inside her pussy. The only time he cums harder is when Nick slides that greasy pecker up her ass. Damn, she's never felt so full! Nick's the lover she's always dreamed of! She looks over her shoulder to tell him so, but notices that Nick is looking away. He's trying to catch the scores on SportsCenter. What a dick! But his cock feels so good...

For Creative Fantasies and Stimulating Conversation

www.enchantrix.com

If you're thinking of calling a phone sex line, you're probably looking for arousing, hot talk and an explosive orgasm at the end. But sometimes, you're hoping – perhaps against hope! - for something a little different. A bit of something more. A connection. A few divine moments of instant intimacy.

You pick up the phone, hoping you'll connect with someone to make you feel special, someone to listen to what you have to say, someone with whom you can engage in interesting conversations on a variety of subjects, both kinky and non-sexual.

At ENCHANTRIX, we can give that to you. We invite you to call us at 800-730-7199 and find out just how mindblowing a fantasy phone session can be.

When you call ENCHANTRIX, our goal is to make you feel a little bit better – or, ideally, a LOT better – than you felt before you called. Our Enchantrices are selected for their intelligence and conversational abilities. We aim to provide you with stimulating, engaging and interesting conversation, whether you're in the mood for something naughty and erotic, or whether you're in the mood to just chat with an intelligent, creative woman, and see where it leads.

When it comes to meeting our clients' needs for conversation – we settle for nothing less than total fulfillment. Call 800-730-7199 and experience an ENCHANTRIX, and you'll never go back to regular old phone sex again. We promise.

ALYSSA & JENAVEVE

You'd think coming from an impoverished third-world country and finding success in America would make Jenaveve Jolie sympathetic to the plight of immigrants. Maybe it's the half-pitcher of martinis she drank this morning, but Jenaveve is downright nasty to her "domestic help," Alyssa. "I used to be just like you, kicking around a shitty Central American village," Jenaveve tells her maid. "Now look at me. I'm a big porn star! Everyone wants to fuck me! Look at me!" Alyssa looks. Jenaveve is strapping on a big black dildo. "I will show you now how successful Americans fuck," she says, adjusting her plastic penis. Alyssa smiles. She hoped working for a porn star would lead to bigger opportunities. She even wore her sexiest lingerie beneath her smock "just in case." Welcome to The States, Alyssa...the states of arousal!
